

THE NHHS ANNUAL

Our educational opportunities have been afforded us by our Mothers and Fathers, to whom we feel it is our privilege to express our appreciation and gratitude by setting aside this space of the "Senior Annual".

To Mr. Hath, whom we honor as a Superintendent, admire as a leader, and Love as a friend, we dedicate the "Senior Annual" of 1927.

Miss Sylvia King
Principal

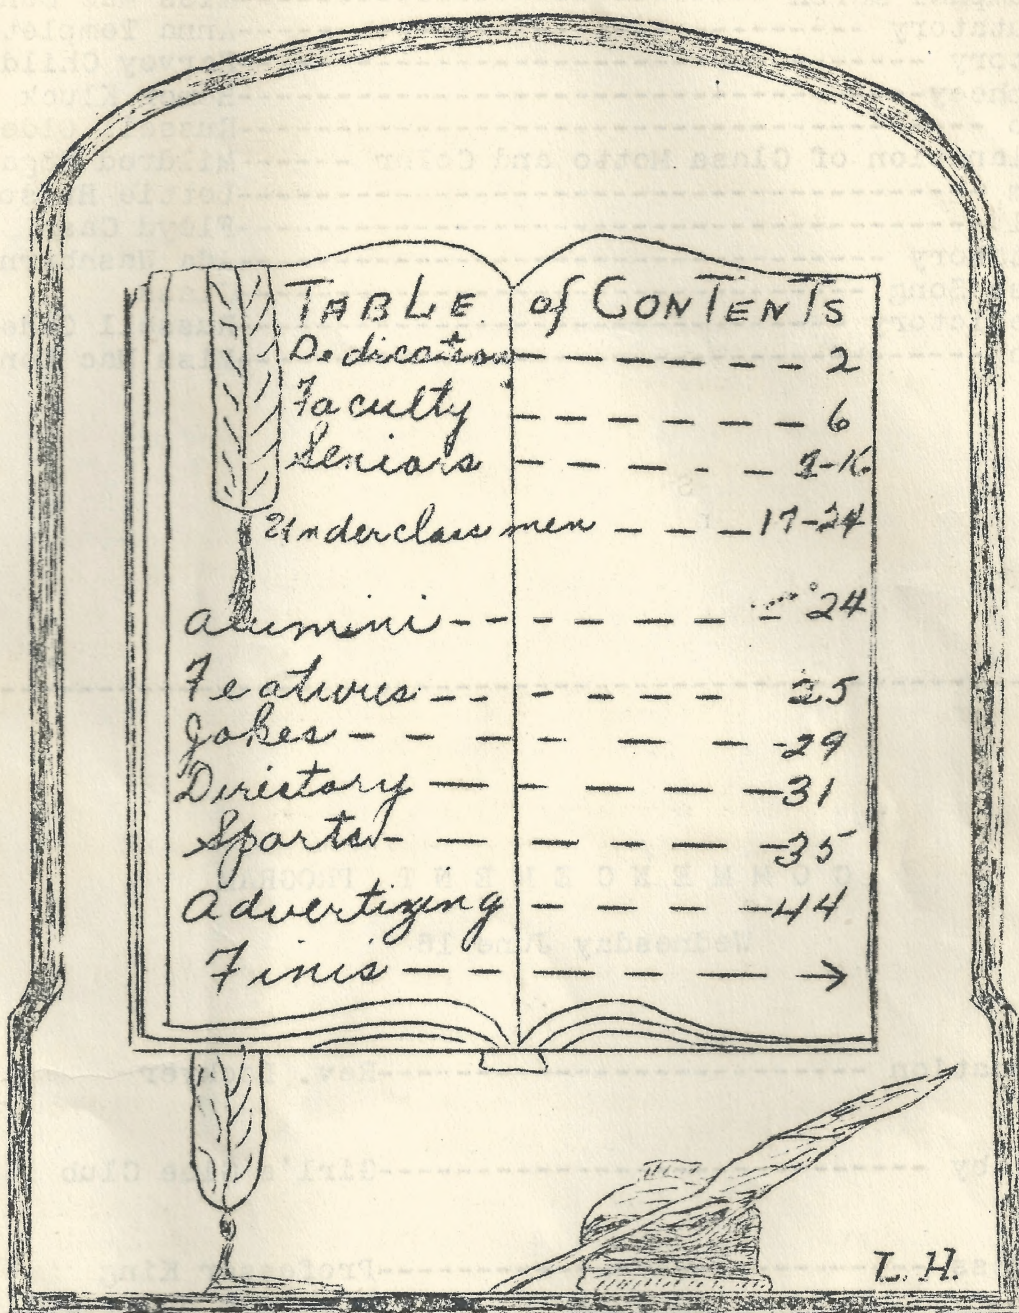

Her unselfish interest, her keen understanding, and immeasurable sympathy with youth have made our last years of school life enjoyable and beneficial for us. We, the class of 1927, humbly express our regret in leaving one who has meant so much to us.

FOREWORD

The Seniors of 1927 present this the first volume of the Senior Annual, as a memento of High School Days.

Although this is published by the Seniors, it by no means excludes other classes. The Seniors merely act as reporters or interpreters for school life in general.

We hope that much pleasure in the present, and pleasant memories in the future will be derived from the Annual of '27, not only by the students but by all those interested in all students' welfare.

SALUTATORY
Anna Templeton

Parents, teachers and Friends:-

I greet you with a hearty welcome in behalf of the Senior class of 1927.

As we pass from the happy school life of New Hudson High, we take with us tender memories of kind acts and willing sacrificed of our parents, teachers and friends who have helped us to make this step as we are now taking possible.

Your presence is an inspiration to us and it is with a feeling regret that we look back over the many days spent together in the happiness and disappointments of school life.

Most of you no doubt are remembering your own graduation and your smile will let us know that some happy instance of the passed are pictured before you as our class motto suggests a cheerfulness of spirit through the humdrum, of everyday existence we hope to be able to keep up a hardy whistle through row of tiresome hoeing

Some of us hope to go to college and prepare ourselves for the duty that lies before us. We have set our goal a great way off and trust that we maybe successful climbers and builders; -as Longfellow so fitly expresses in his poem of the builders*

Class History
Harvey Childs

As we look back upon the fall of 1923 we recall the eventful day for enrollment at New Hudson High School. The doors were thrown open to admit incoming freshmen who were destined to be seniors of 1927. However this group soon became familiar with the school system, and though in the infancy of our high school career we soon took our place as an active part of the student body.

The following students enrolled:-

Lottie Hudson	Helen Branch	Kenneth Craig
Ada Washburn	Howard Brandh	Herbert Major
Floyd Cash	Gladys Block	Lula Keddle
Mildred Bogart	Clyde Bowers	Florence Bennidict
Lucille Bogart	Erwin Martum	Kathrine Brown

The year passed rapidly and the following September we innocent freshmen our number decreased by students that had moved away or left school, returned as brilliant sophomores,

Early in the fall the class held the freshmen initiation it was a great success.

A number of parties were held at school and in various homes, they were well attended by our class.

Returning in the fall of 1925 as Juniors, the class entered into all school activities.

We were well represented on the football basketball and baseball teams.

Many students of our class enjoyed week end trips to various place for educational purposes. The trips were sponsored by Mr. Hath . A Junior and Senior play was given.

With the reopening of school in Sept. This group 8 in no. returned with the idea that it being our senior year it should be the most pleasant one of our four years in High School.

Many members of our class took active parts in athletics and Activities.

A number of musical plays and comedies were given during the year which were conducted by Miss Mac Donald.

We must honor Russell Oldenburg for being Editor of the first paper published by the school.

The Junior 's should recieve great credit for giving the First Junior and Senior Banquet.,at New Hudson High.

P R O P H E C Y Homer Kluck.

A few mornings ago while I was eating my breakfast my mother remarked that it was a very fine day and she thought it would be very good exercise for me to beat the living room rug.

I had planned to go fishing, but there always seems to be some one ready to take the joy our of living.

As I finished my breakfast I vowed to become an Old Backelor or have a special clause put in the marriage vows that there were to be no rugs in the house if I had to beat them.

As I had been out rather late the night before I soon became drowsy. I could hear an air plane high in the air. It came nearer and nearer and written on the side was Ford 1947- Passenger Service San Francisco to Paris. I was quite surprised to see it land in a field nearby. I went over to see if anything was wrong. After the pilot had made a slight tepair he looked up and I recognized my old classmate of '27 Harvey Childs. After exchanging greetings he invited me to ride to San Francisco with him. I exsepted the invitation. As we flew along he told me of many of his experiences since he graduated from New Hudson with the class of 1927. He first went to an aviation field and later established a large air plane passenger service. He now has planes flying to all parts of the world. He was just getting ready to make his second trip to mars, and that Russell Oldenburg, who is a professor at Yale is going to accompany him to gather information on the cause of the great divorce evil there.

I noticed below in almost every town a large sign, "Templeton's Hot-Dogs are Best", which caused me to ask Harvey if he knew where Anna Templeton was he said yes, that the signs advertised her business. She has a chain of hot-dog stands throughout the United States and is very wealthy.

I then asked what had become of the other members of the class. He told me how Floyd Cash had gone to Battle Creek and was very famous for discovering how to make a breadfast food from Alfalfa.

Mildred Bogart went to a cannibal island in the Pacific as a missionary and arrived just in time to rescue a handsome stranger who was about to be eaten by the cannibals. She had quite a time

persuading the natives that Armour Star Brand Hams and Bacon were better but after she had served them a meal of ham and Pelican eggs they decided to not eat anymore white meat.

This stranger fell in love with Mildred and they were married and are now King and Queen of the island.

Lottie Hudson went to Paris and is a star in the Grand Opera.

Ada Washburn is a great lecturer and Politician. She had been elected by the prohibition party of the State for Governor two terms U.S. Senator for one term, and she expects to run for President this fall.

We were now nearing San Francisco and as we neared the landing place I could see a large crowd and they seemed to be shouting my Name. Something snapped and I felt myself falling, and I landed with a thud, and heard my mother say, "For goodness sakes Homer you have slept for two hours and never beaten that rug, perhaps if you would take the time to go to bed early one night a week you wouldn't sleep so much day-times.

I wish she had waited just a minute longer for now my future is still a dark mystery.

Explanation of Class Motto and Color Mildred Bogart.

We, the Senior Class of 1927 chose Blue and Gold as the Class colors. Blue to stand for loyalty. Loyal friend and classmates, to stand by the teachers and school. Always ready and willing to help promote the well being of the school and class. To stand together in all things.

Gold for the sunny laughing classmates. Always laughing and joking to drive away the drudgery of the class room, and to cheer the rest of the serene schoolmates.

The American Beauty rose was chosen as the class flower. It is a sweet, fragrant, stately flower to represent the state by happy smiling Seniors.

"While you whistle be Sure to Hoe" was chosen as our motto. Though you may be whistling be sure you are working or doing what ever you have to do and not only whistling. Because whistling alone never gets anybody any place, but whistling with work makes the work more easy and goes a long ways.

We have analysis the three symbols of the class and have taken as following Blue of Loyalty; Gold for the sunny laughing classmates. The American Beauty Rose for the stately happy smiling Seniors and the motto because it means, "Thou you may be whistling be Sure you are working."

C L A S S P O E M
Lottie Hudson

Now I am going to recite to you
Some Poetry that is all bran new
Some you've never heard before
Two Bits you'll not ask for more.

Mr. Hath is at the head of us all,
With out his support we surely would fall,
As we drift down the life long path,
Our thoughts will be of our High School Days and Mr. Hath.

Miss King is a very good instructor of plays,
We thank her for the many spent days,
In helping to get our parts right,
So everything would be fine that night.

Miss Oggel' is general manager of our staff,
She is the one that quiets us when we laugh,
She corrects us early, She corrects us late,
But she is a different person when Ted meets her at the Gate.

Miss MacDonald our instructor in music
Is a good panacea for those who are sick,
She plays the piano and plays it well
If I knew her future, I wouldn't tell.

Russell was the bright boy of our class,
And was always afraid he wouldn't pass,
He holds his head up in the air,
And never looks at a maiden fair.

Anna is a renowned debator,
And has formed a league known as a manhater,
Around in a buick she spends her spare time,
With never a thought of a man on her mind.

Floyd our friend has met with much fate,
For many diseases he has had of late,
Tell it in verse, or tell it in song,
Each in turn as they come along.

Ada can talk and laugh at the same time,
A better sport you can not find,
Her favorite saying in the library is,
Sh----Mr. Hath will hear you kids.

Homer was a stranger to us a year ago,
Now he is one of us as you all know,
As an athlete none can compare,
He was never known to play unfair.

Next on the list is Mildred Bogart,
Always ready to do her part,
However far her feet may roam,
Her heart will be at home sweet home.

Harvey and Herbert are very much alike,
For teachers we find are their utmost delight,
Blondes and Brunnetts they have tried them all,
But, for two of the faculty they sure did fall.

Now in conclusion you will all agree,
My High School Days have not made a poet of me,
I have done my best, and that is all we can do,
So I will bid you all a fond adieu.

We, the Seniors of the New Hudson High School being of sound mind and memory do make this last will and testament. Provide for the disposal of the things which it would be undesirable to take away from our High School Days.

To the Boy Scouts we give devise, and bequeath the integrity; effecience, faithfulness and loyalty needed by boy scouts;

To The Hi-Y we give devise and bequeath our habit of being on time at all meetings.

Lottie and Harvey does give devise and bequeath, Ada as librarian and the discussing combination of Lottie, Harvey and herself to Erwin, Herbert and Mildred, so Mr. Hath May have the privelege of separating this group.

The individual Seniors give as follows:-

Harvey Childs leaves to Herbert Abrams the remainder of his tablet.

Anna Templeton wills Kathleen Jewell's beau a Packard car so that he will not have to borrow her uncles Buick.

Floyd Cash gives the priveledge of taking the part of Butler in the Senior play next year to George Miles.

Mildred Bogart gives to Norma Banfield her quiet disposition .

Homer Kluck does Give devise and bequeath to Garner Hudson the honor of sitting across from Mildred Murray next year, providing he does not write notes to her.

G I F T A T O R Y

Ada Washburn

Classmates, and Friends, I am about to give each member of the Senior Class a little gift which will serve for two purposes:- In later years to bring to memory those happy high school days, we hope they can be used in the future.

I take great pleasure in giving Anna a little ford so if a certain ford roadster gives out she will have this one to ride in .

To you Lottie I give a new pair of dancing slippers so your skip dates will be more enjoyable.

As you all know Homer is inclined to blush when meeting the fair sex, so to prevent further embarrassment, I bequeath you this box of powder to hide those blushes.

As new discoveries are being made every day during last week we discovered Floyd needed this book entitled, "The art of Pro-pesing ". No doubt this book will benefit you in the future.

Of course Russel is greatly interested in pipe organ playing, so I will give you this little one to practice on. Hope you can use it Russell.

Did you ever hear Harvey when he laughs? Well he has a boisterous but boyish laugh, and I think he may need these tools to quiet him.

Knowing Mildred as we do I give her this horn so when she speaks she can be heard.

Mr. Hath, we give you the priveledge of giving the Seniors of '28 the back seats exclusively and hope you have success in your next school year here.

Mr. Worden, I certainly hope you will have good luck in your married life and give you this rattle and wish you much happiness.

Miss King, we trust that you will have success in your next school especially in catching the gum and whispers, so I give you this pad on which to dot down names.

Hearing a few days that Ted Bryants car was fixed after an accident I advise Miss Oggel to get another spot light so they may see where they are going.

Miss Mac Donald in your next school I hope you have all luck---in catching the young athletes in that institution.

Parents , Teachers , Classmates, and Friends:

Having the privilege of addressing you in the name of the class, I deem it my first duty to thank you all for the inspiration your presence has given us, for your interest in our behalf and for your good will and kind intentions. on an occasion such as this it is natural for us to look not only over the past, which reflects on us memories of our High School Days, and the good times that we have enjoyed together but, also into the unknown future.

We feel glad that we have attained the goal towards which we have been striving during the past four years. But now we must pause to ask ourselves how we can best put it to use. Perhaps some of us will continue our education, while others will probably take up a vocation, but I trust that each member of the class of 1927 will

achieve success, and put forth the required effort necessary, and thus showing his appreciation to the Faculty, Parents, and Board of Education for their assistance during our High School Days.

Class Song.

Hail, Hail New Hudson! Noble and Strong;
To thee with loyal hearts we raise our song.
Swelling to Heaven loud, our praises ring;
Hail, Hail New Hudson ! Of thee we sing.

Majesty as a crown rests on thy brow
Pride, Honor , Glory, love , before thee bow.
Ne'er can thy spirit die, thy walls decay;
Hail , Hail, New Hudson ! For thee we pray.

Hail, Hail, New Hudson ! guide of our youth;
Lead thou thy childrens on to light and truth.
Thee when death summons us, others shall praise
Hail, Hail, New Hudson ! Thro' endless days.

JUNIOR CLASS HISTORY

We, the Junior Class of 1926-27 started our high school career in the fall of 1924. There was a class of sixteen at the beginning but, at the end of the year it a class of twelve. Two great events of that year were the Hallowe'en play "Macbeth," and the school Picnic at Island Lake. Our Fresh. Initiation was the most fun.

How glad we were to go back to school the next fall, but what we dreaded mostly was getting acquainted with the new teachers, because we were bashful even though we were Sophs. Herbert Abrams came to us in the fall and was elected president, and Miss King Advisor. We Sophomores helped the Seniors in their play, and were repayed by a trip to Bob-lo. Edna Deidrich and Creed Wilson left us that year.

As Juniors, we are well on our way to the highest class in school and to be the next busiest class. Erwin Helmsmeier and Arthur Garlick came to us this year and Arthur was elected president, but he stopped school, and Erwin Helmsmeier was elected to succeed him.

About Christmas we were bothered about selection Junior rings, and when the second semester started we were the proud possessors of new rings. We took part in the Junior and Senior play and are Planning a Junior and Senior Banquet to be given June 10th. Which will be first in the history of the New Hudson School. Anna Templeton found that she had credits enough and that if she worked hard she would be able to graduate this June.

All through the school years we took part in all sports and school activities.

SOPHOMORE CLASS HISTORY

The Freshman class, which entered New Hudson School the last week in August, 1925, had a very vague idea of what high school life was really like. We at least thought that we could do most anything, but at initiation, held by the tenth grade shortly after school started, we found out that there were others besides ourselves.

The following started as Freshmen that year:

John Beltz	Helen Koch	Arnold Musolff
Norma Banfield	Adam Lee	Howard Musolff
Lehr Bishop	Ruth Lee	Dale Renwick
Loyal Bonecutter	Wilbur Lossing	Robert Tandy
Robert Cash	William Matteson	Hilda Wagner
Cecil Harp	George Miles	Marion Windrim

During the year, we were joined by: Robert Luttermoser, and Alma Schrock.

The officers during the Freshman year were: President; George Miles; Secretary, Dale Renwick; Treasurer, Norma Banfield.

As Sophomores, our class was much smaller, due to the fact that many moved away, or stopped school.

Our Class Roll this year was:

Norma Banfield	John Heatley	Howard Musolff
Lehr Bishop	Anna Kluck	Alma Schrock
Esther Burns	William Matteson	Robert Tandy
Margaret Carpenter	George Miles	Hilda Wagner
Robert Cash	Arnold Musolff	Marion Windrim

For the second year of our high school career, the following officers were elected: President, Alma Schrock; Vice President Robert Tandy; Secretary, Norma Banfield; Treasurer George Miles.

During this past school year, our class has shown up very well in Athletics. Those who have taken part are: Lehr Bishop, Robert Cash, George Miles, Arnold, and Howard Musolff.

JUNIOR and SENIOR PLAY

"The New Co-Ed was given April 8, 1927, by members of the Junior and Senior Classes. Lottie Hudson had the title role, and Erwin Helmsmeier, played opposite her as the college hero. Both played their parts very well, and everyone enjoyed the play immensely due to their efforts. The play centered around the disappearance of some jewels, and Letty was accused of taking them. The charges are false and everything is finally cleared up with Dick and Letty destined to live happily ever after. The play was full of humor and offered a very enjoyable evening to everyone present.

O P E R E T T A

"The Gypsy Rover", presented by the girls and boys Glee Club, June 2, 1927, was a huge success.

Russell Oldenburg, who took the part of the "Gypsy Rover" carried his part very well, and captivated the audience by his excellent singing.

Ada Washburn as Lady Constance, the heroine of the story played a splendid lead opposite Rob, "the Gypsy Rover". Their voices blended very well and their duets were very pleasing to everyone.

Erwin Helmsmeier and Harvey Childs as Sinfo and Murto, Gypsy robbers entertained the audience and "Handed every one a big laugh"

Herbert Abrams took the part of an English Fop", with a typical English air. Dontcha Know.

Vivian Miles, Rith Collins, Kathleen Jewell Roy Murray and Robert Tandy also carried their minor rolls very well.

The costumes of the choruses were lovely and did a great deal to furnish the delightful background for the story. Songs of the choruses played their part in weaving together the story of the play.

THE OTYOKWA CAMP- FIRE GIRLS

The Otyikwa Camp-fire girls held their first meeting at the beginning of the school year. We elected our officers as follows:-

President-----Beatrice Russel
Vice President -----Dorothy Hopkins
Secretary -----Ruby Van Amburg
Treasurer -----Arlie Davis
Scribe -----Bernadine Shear
Song Leader -----Lucille Davis

We then selected our name "Otyokwa", which means "A single Fellowship".

Our first party was held October 31.. '26. When the warm weather came on we went to Joe Davis's woods and had a weenie roast. We played games and then came home. The next party was held in Banfield woods. Miss Mac Donald accompanied us. We had our supper and went flowering, then we came home.

All of the members of the Camp-fire girls have been working throughout the year for their honors, which will be received at our last party, June 15, 1927. We are sorry to lose Miss Krieger as our leader, because we have had very many goodtimes this year.

Floyd Cash

The Football Team of 1927 showed a decided improvement over the preceding year. Having won six games and tied one out of Ten we played . While last year we lost all but one game, that being a tie.

In all games except Pinkney the Teams were well matched. In the opening game the Team did not get down to playing real football till the last half. The final Score was New Hudson 28 Walled Lake 0 .

The next games South Lyon, Milford, and the Alumni our team won with a good margin having held their opponets scoreless.

In the fifth game the Team was over confident and lacked pep and drew a tie 0 to 0 with Walled Lake.

Then in the Sixth game due to various reasons though New Hudson went throught for a gain after gain only six points were scored. Which was the result of an 80 yd. run by George Miles. Score New Hudson 6 South Lyon, 0 .

In the remaining games. New Hudson defeated the Pontiac Team 7 to 6 by a rally in the 4th quarter. Then due to Ineligibility of three players and the full back getting hurt they lost a game full of fight and pep to Berkley 7 to 27 . New Hudson scoring in the first quarter. Then the next game was lost due to the fact that Pinckney out weighed and out played the home team. New Hudson seemed to show a lack of nerve resulting in a 54 to 0, trouncing. Then in the final game New Hudson lost to Pontiac, by a superior passing attack in the fourth .

BASKET BALL

Fourteen men responded to the call for basketball. There were six of last year's players among these. Herbert Abrams (Capt.) George Miles, Garner Hudson, Howard Musolff, Arnold Musolff and Lehr Bishop. The new recruits were Arthur Garlick. Lawrence Garlick Clayton Childs Harvey Childs, Erwin Helmsmeier, Laurence Rickard and Harold Sleighbough, and Homer Kluck'.

It was hard to select the first team but finally the following men were picked for regular positions. Morwards, Miles, and Hudson Center, Abrams, Guards, Helmsmeier and Howard Musolff.

Shortly after practice started the Garlick boys quit school. This reduced the squad to 12 members. Kluck had not been playing because of a bad cold but in January he started on the squad. In the middle of January H. Musolff was taken sick with scarlet Fever This also kept A. Musolff home and the squad was now reduced to 8 men. About the same time H. Childs had scarlet Fever, this left nine men. C. Childs graduated at the end of the first semester leaving only eight men.

After H. Musolff was taken sick Kluck took his position at guard.

A little later F. and R. Cash offered their services to the team and stayed with them for the rest of the season. All the players had many chances to play in the games. H. Childs became one of the squad again toward the end of the season.

In spite of sickness and the difficulty of practicing more than two nights a week. The boys had a very successful season.

Mr. Worden deserves a good deal of credit for his coaching and cooperation with the players.

SCHOOL DAY REMEMBRANCES

We appreciate the honor of having made the portraits of the present Senior Class, and we invite all the other members of the school to avail themselves of our studios.

"Father and Mother" are often very shy about having their "Pictures taken". But in your room at home, we know, you'd like to have a good portrait of both of them. When you come down try to bring Dad and Mother, too .
